Table of Contents

[Q1a. Are you currently employed (for wage or salary, any hours)?](#)
[Q1b. Are you currently employed (for wage or salary, at least 35 hours per week)?](#)
[Q1c. Are you currently employed (for wage or salary, at least 35 hours per week) at your place of work prior to the COVID-19 pandemic?](#)
[Q1d. Are you currently self-employed (including unincorporated business, freelance, or gig work)?](#)
[Q1e. Are you currently temporarily laid off, furloughed, or on leave from a job you held before the COVID-19 pandemic?](#)
[Q1f. Are you currently not working for pay (retired, disabled, not looking for work, homemaker, student, etc.)?](#)
[Q1g. Are you currently looking for work?](#)
[Q1h. Are you currently able to work (given your health and the availability of childcare, transportation, etc.)?](#)
[Q1i. Are you currently able to work from your place of residence (as opposed to your place of work)?](#)
[Q1j. Are you currently able to work at your place of work (as opposed to from your place of residence)?](#)
[Q1k. Are you currently able to work (at your place of work or from your place of residence)?](#)
[Q1l. Are you currently able to work (at your place of work or from your place of residence) as much as you were before the COVID-19 pandemic?](#)
[Q2a. Approximately how many hours per week do you typically work at your place of work?](#)
[Q2b. Approximately how many hours per week do you typically work from your place of residence?](#)
[Q2c. Approximately how many hours per week do you typically work (at your place of work or from your place of residence)?](#)
[Q2d. Approximately how many hours per week do you typically work (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q3a. Approximately what percentage of your work can be done from your place of residence?](#)
[Q3b. Approximately what percentage of your work can be done from your place of residence as compared to before the COVID-19 pandemic?](#)
[Q4a. Approximately what percentage of your work can be done at your place of work?](#)
[Q4b. Approximately what percentage of your work can be done at your place of work as compared to before the COVID-19 pandemic?](#)
[Q5a. Approximately what percentage of your work can be done (at your place of work or from your place of residence)?](#)
[Q5b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q6a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q6b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q7a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q7b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q8a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q8b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q9a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q9b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q10a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q10b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q11a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q11b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q12a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q12b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q13a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q13b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q14a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q14b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q15a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q15b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q16a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q16b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q17a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q17b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q18a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q18b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q19a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q19b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q20a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q20b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q21a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q21b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q22a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q22b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q23a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q23b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q24a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q24b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q25a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q25b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q26a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q26b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q27a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q27b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q28a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q28b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q29a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q29b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q30a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q30b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q31a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q31b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q32a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q32b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q33a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q33b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q34a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q34b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q35a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q35b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q36a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q36b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q37a. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
[Q37b. Approximately what percentage of your work can be done (at your place of work or from your place of residence) as compared to before the COVID-19 pandemic?](#)
